PROFESSIONAL EXPERIENCES   Sept. 2024 - Till Date

Intern: Metrosoft, Ikeja, Lagos

- Troubleshooting software issues.

- Designed and built responsive landing pages using HTML, CSS, and Bootstrap to improve mobile compatibility

- Participating in developer meetings to plan features, review code, and align with project goals

- Debugged front-end code to resolve functionality issues and optimize user experience

- Developed and tested program prototypes to explore feature implementations and gather feedback

- Collaborated with designers and developers to enhance website layouts, focusing on usability and consistent branding

- Assisted in improving UI/UX design for internal and external web applications

- Conducted cross-browser testing to ensure smooth performance across multiple devices and screen resolutions
